

# Professional Development for KS2 2018-2019

## Power of Reading

Now in its 14th year, this training project uses high quality books and proven teaching approaches to engage teachers and children in the literacy curriculum across the whole school.

**Power of Reading projects will be taking place nationally in 2018-19.**

**Find out more: [clpe.org.uk/powerofreading](http://clpe.org.uk/powerofreading)**

## Developing the Role of the English Subject Leader

Essential for Subject Leaders both existing and new to the post, this six day course provides successful strategies for developing a clear vision for literacy across the school focused on raising engagement and attainment for all learners.

**Book online: [clpe.org.uk/ESL](http://clpe.org.uk/ESL)**

## Developing Reading Skills and Strategies in the Primary Years

Develop a thorough understanding of the reading process with this in depth six day course. Create a purposeful whole-school vision for reading that supports all children to make progress and consider the core components of an effective reading programme.

**Book online: [clpe.org.uk/readingprogress](http://clpe.org.uk/readingprogress)**

## Raising Achievement in Writing

This in depth six day course will guide teachers and school leaders to develop high quality writing provision across the key stages focusing on the technical skills needed to support all children to make progress as writers.

**Book online: [clpe.org.uk/RAW](http://clpe.org.uk/RAW)**

## Language and Grammar in a Rich Reading Curriculum

This in depth four day course focuses on developing a whole school vision for the teaching of vocabulary, grammar and punctuation, supporting progress in reading and writing for all children.

**Book online: [clpe.org.uk/grammar](http://clpe.org.uk/grammar)**

## Effective Spelling in a Rich Reading Curriculum

Develop strategies and routines that support all children to learn to spell effectively in the context of a rich reading environment.

**Book online: [clpe.org.uk/spelling](http://clpe.org.uk/spelling)**

## Group Reading in KS2

Investigate essential reading skills and strategies for KS2. Learn how quality literature can develop children's fluency, improve comprehension and motivate young readers.

**Book online: [clpe.org.uk/groupreadingsks2](http://clpe.org.uk/groupreadingsks2)**

## Inspiring Writing KS2

Explore how quality texts can provide a range of writing opportunities and develop children's writing skills and stamina. Learn key writing routines and how to plan for progression.

**Book online:**  
[clpe.org.uk/writingks2](http://clpe.org.uk/writingks2)

## Meeting the Needs of Children with EAL

Explore practical strategies for supporting children with EAL in a rich literacy curriculum on this two day course. Support the learning and social needs of children with EAL at varying stages of language acquisition.

**Book online:** [clpe.org.uk/EAL](http://clpe.org.uk/EAL)

## Planning Creatively Around a Text in KS2

Explore practical teaching approaches that improve literacy attainment and develop a cross-curricular unit of work inspired by a quality text.

**Book online:** [clpe.org.uk/planningks2](http://clpe.org.uk/planningks2)

## Improving Writing through Paper Technology – Foundation to Year 8

Book making helps narrow the gap between attainment in reading and writing. This workshop, led by acclaimed book artist Paul Johnson, will involve participants in making a range of pop-up books for all ages and abilities.

**Book online:** [clpe.org.uk/bookmaking](http://clpe.org.uk/bookmaking)

## Developing Early Readers in KS2

This two day course develops the ability to plan for early readers in KS2. Deepen knowledge of phonics strategies, improve reading fluency and increase engagement in reading.

**Book online:** [clpe.org.uk/earlyreaders](http://clpe.org.uk/earlyreaders)

## Let's Write! Improving Reading and Writing Using Poetry with Joseph Coelho

Explore how poetry forms can be used in cross-curricular ways to develop effective writing, increase children's comprehension and encourage exploration of language with award winning poet, Joseph Coelho.

**Book online:** [clpe.org.uk/creativewriting](http://clpe.org.uk/creativewriting)

## Planning for the Needs of More Able Pupils in Years 5 & 6

Help pupils go above and beyond expected levels in literacy with strategies to stretch and challenge on this course run in partnership with The English and Media Centre.

**Book online:** [clpe.org.uk/moreable](http://clpe.org.uk/moreable)
