

EXPERIENCE 1

IN ASSOCIATION WITH

ACTIVITY SUMMARY:

Experience the art of oral storytelling. Plan and prepare an oral storytelling session with the children

INGREDIENTS:

A selection of small animals, people and items to represent classic characters and elements of well-known tales.

Magnetic tape, laminate pouches and photocopies of key characters from a selection of traditional tales. Use these to make sets of puppets for your stories.

A variety of clothing and everyday objects to use as prompts to create stories. E.g. a range of hats, a tie, scarf, wallet, set of keys.

A storytelling throne, cloak or dedicated area

TIME:

An afternoon to prepare and rehearse and a short slot of time for each group to perform their retelling.

METHOD:

1. Choose a story to orally retell. Prior to retelling the story select some props that will aid you in the retelling.
2. Commit to memory the key repetitive phrases that may arise in the story. Emphasise these in your retelling by encouraging the children to say them along with you.
3. Give the children time in groups to explore different stories from the collections. Invite them to select a story that they wish to retell. Encourage them to note the key moments in the story and highlight key phrases that they will emphasise in their retelling. Drawing a visual story map will assist children with this.
4. Invite them to collect or make props to assist them with their retelling.
5. Give them time to rehearse and organise how they will retell their story.
6. Have a dedicated rotating oral storytelling slot across the week to allow each group to perform their story to the rest of the class.

EYFS / NATIONAL CURRICULUM 2014:
